## *DEDICATION*

We the staff of the 1972 Huskie dedicate this yearbook to Mr. Roland Benford, who has contributed in many ways in helping Hemlock to become a better school.

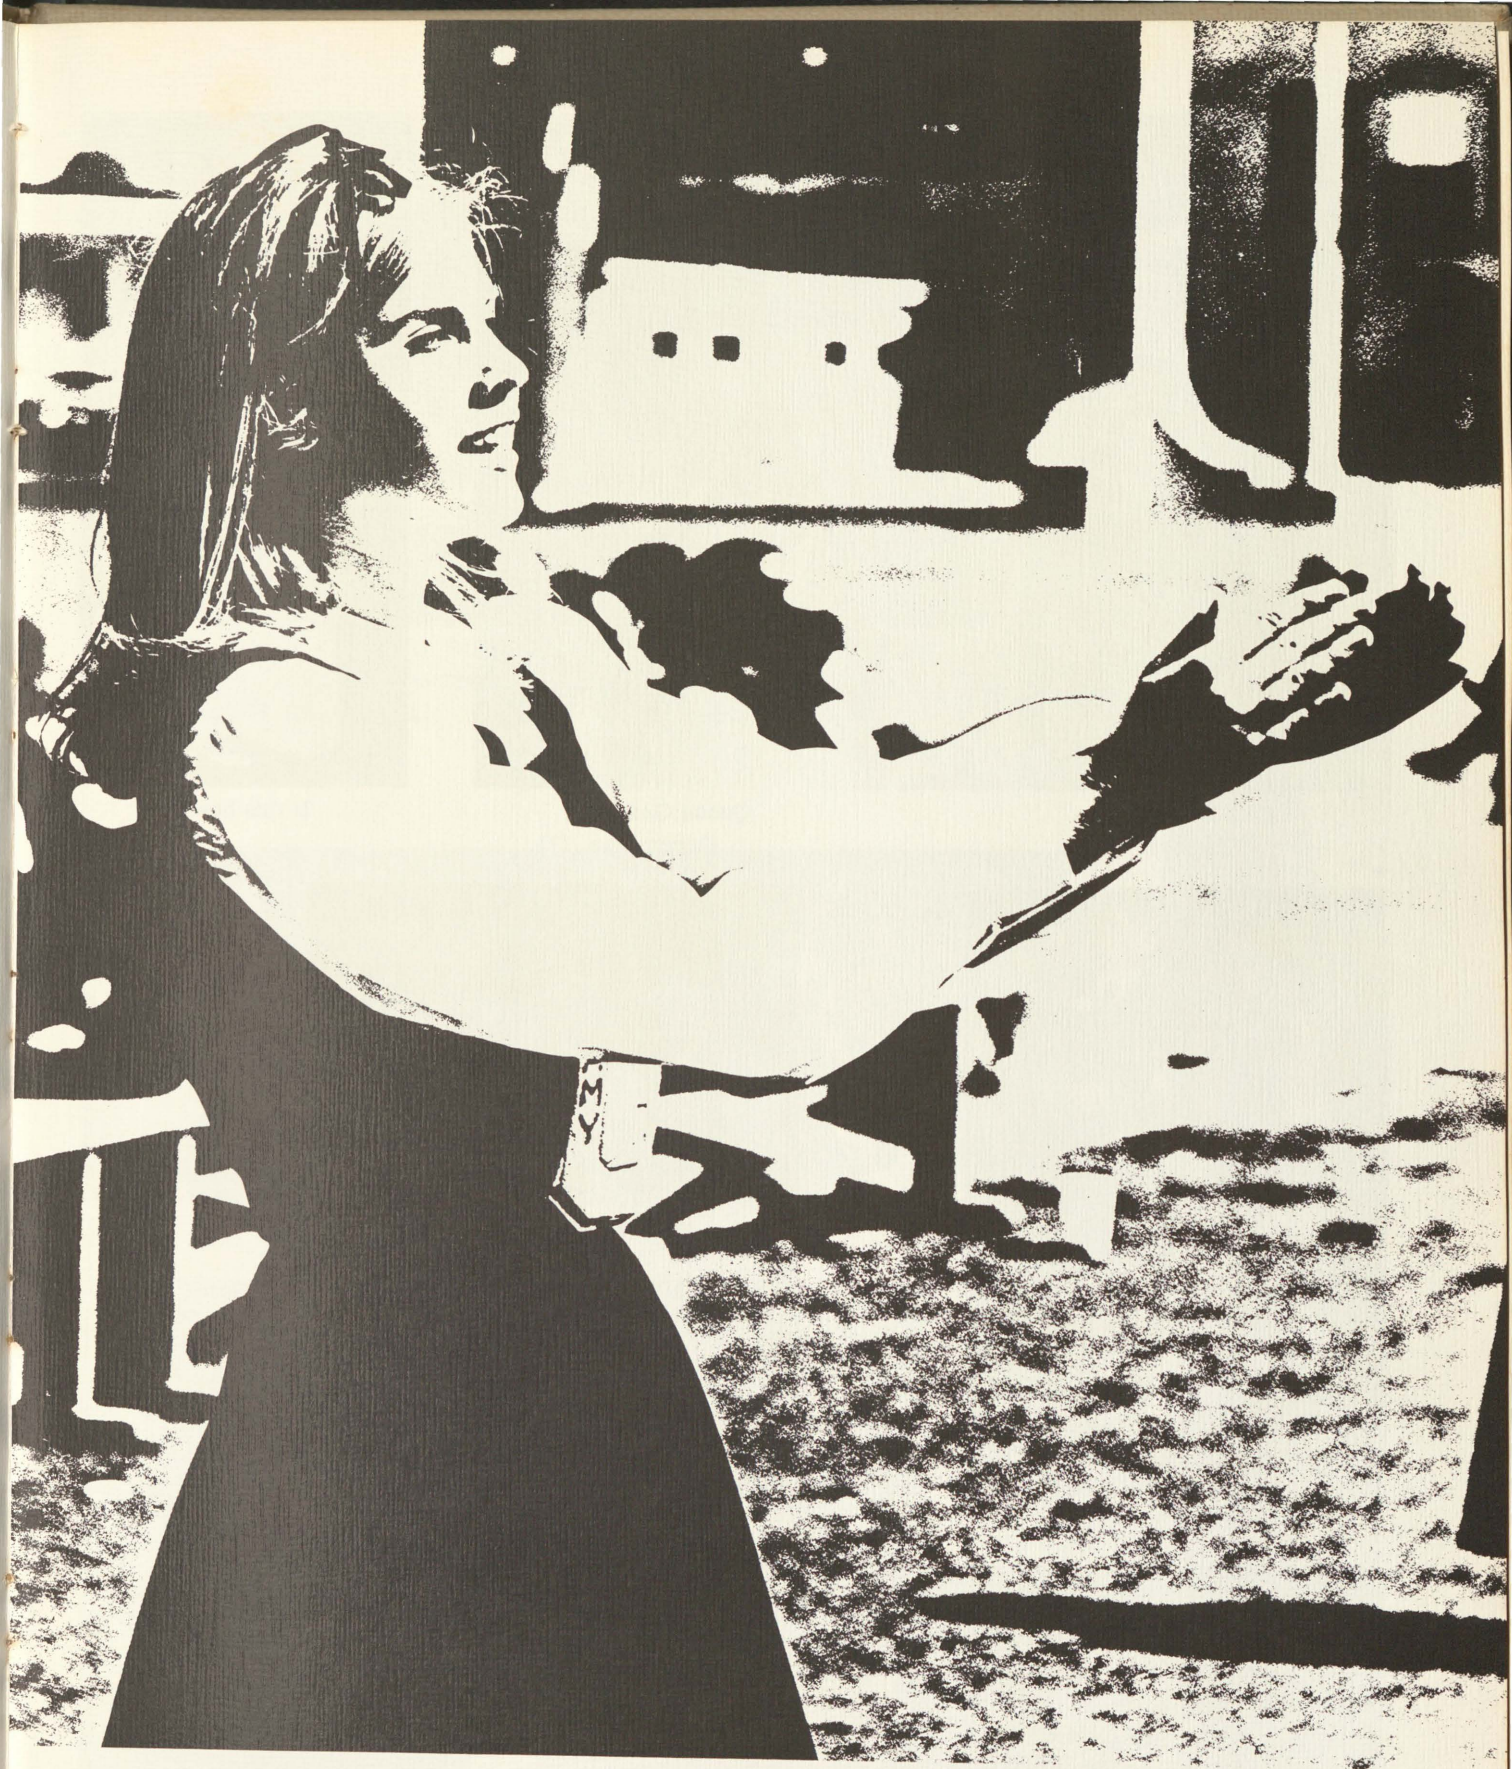

Mr. Benford was born in Flint, Michigan. He graduated from Flint Central High School in 1945. Mr. Benford continued his education at Central Michigan University earning a BA in 1951. He received his MA in 1956 from University of Michigan. Mr. Benford came to Hemlock and began work in the Hemlock School system in 1951.

It is said his outstanding characteristics are patience and his sense of humor. He gives a lot to life and gets a lot from it.

He resides at 360 Norbet Lane with his wife Betty and children Jim, Barb, and Mark. He also has another son, Mike, who is married.

Mr. Benford, to you with honor and devotion, we dedicate this yearbook.

# STUDENTS EXPERIENCE NEW CULTURES

Pontus Lindburg is our only exchange student this year. He lives in Turku, Finland with his parents and older brother Rufus. Turku is the third largest city in Finland and as in many big cities, most of the people live in apartments. His hobbies are sailing and snow skiing. Before he came to America he had never had jello, marshmallows, corn, or sweet potatoes. He would really like to get to see a bigger city. The Barr family, with whom he lives, is traveling to Florida over Easter so he may get his wish.

L. to R.:

Joanne Grubaugh stayed in Frederick-William-Lubke-Koog, Germany. "It was a small farming village of about 200 people. It was beautiful country, and the people were beautiful too."

Teresa Barr spent one month in Dovai, France and one month in Vigneiu, France. Her feelings are expressed "J'aime La France!"

Janet Young had a jolly two months in Ochten, Netherlands. "It was a great experience. Bicycling, going shopping in Amsterdam, and learning Dutch was a lot of fun."

Jon Wardin spent his summer in a suburb of Stockholm, Sweden called Lidingo. "It was really fun and interesting. What else can I say!"

Are they really studying?

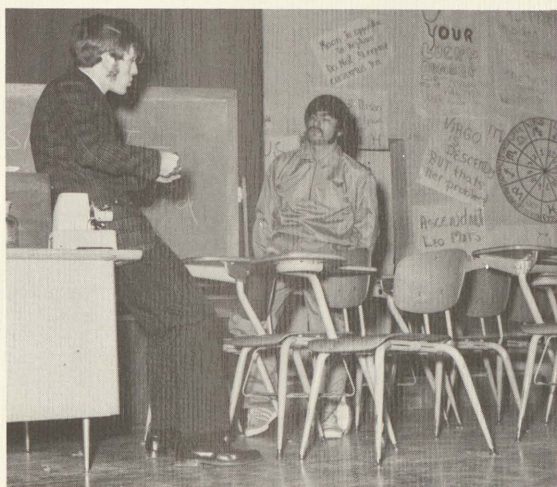

Signs of the times.

Please, please, no more applause!

Are you sure this is the door?

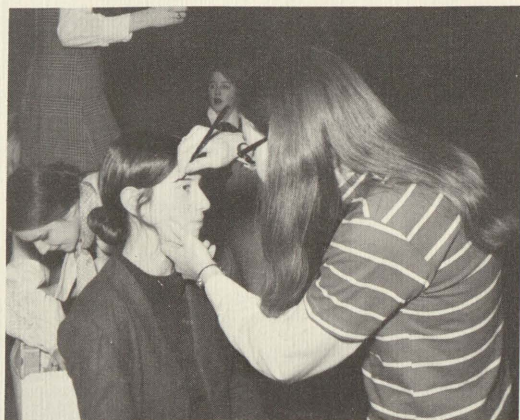

In the beginning ...

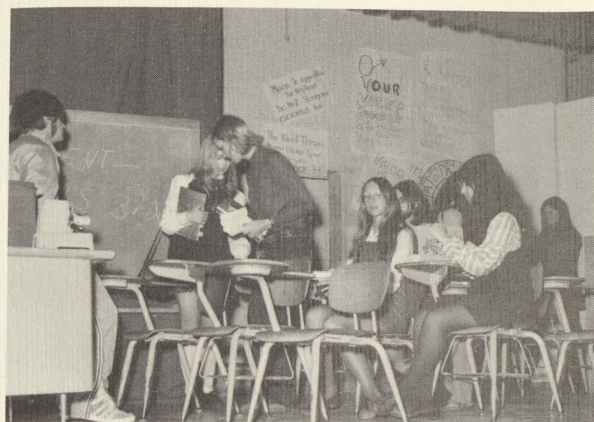

What a  
bummer.

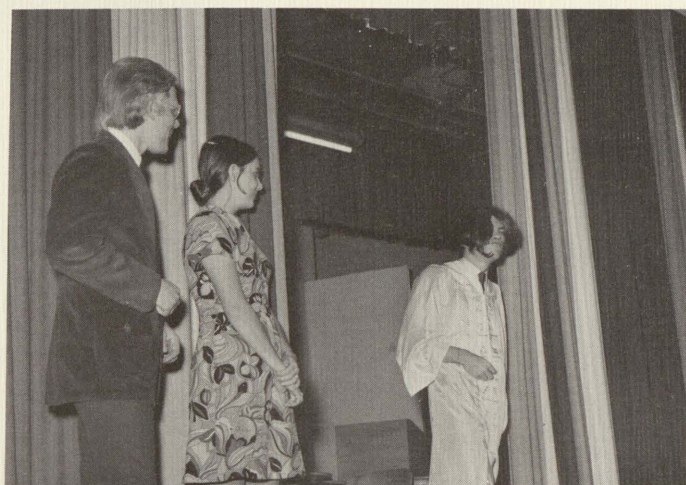

A little darker, please.

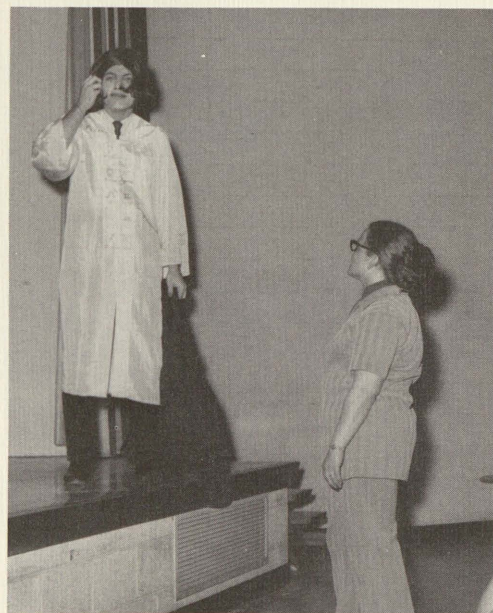

Musical Chairs.

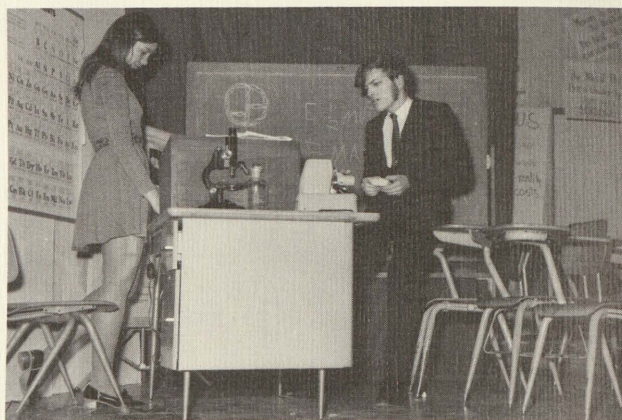

What a lot of capricorns!

Can I lend you a hand?

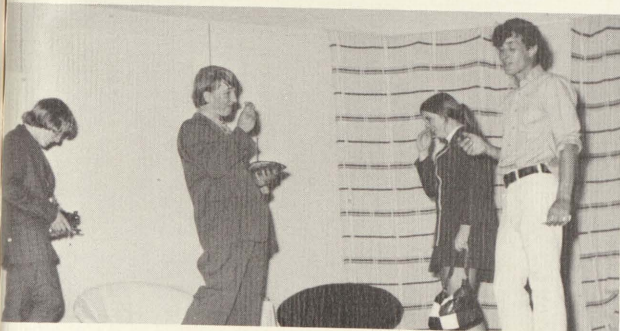

Oh, I mussed my hair.

# PROM: THE DANCE OF THE YEAR

A garden gate makes a lovely entrance.

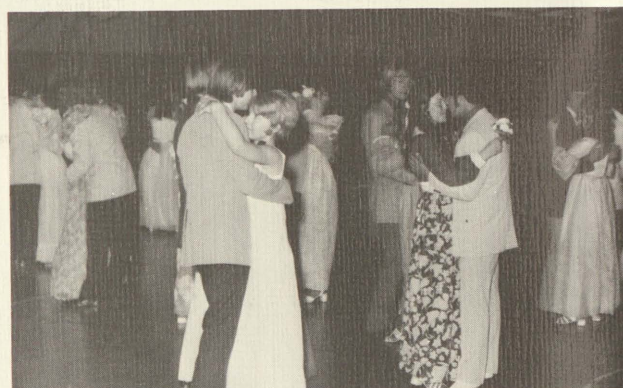

Sure hope I have enough money.

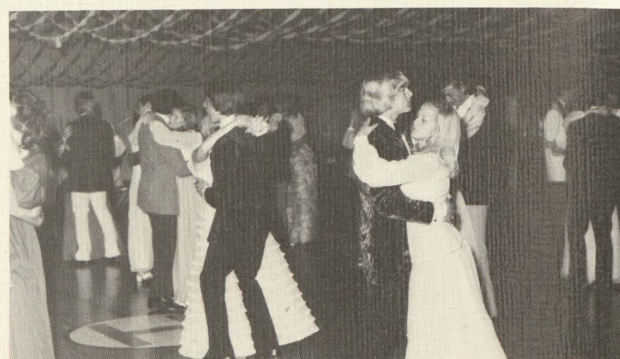

A beautiful setting.

Nice centerpiece, isn't it?

Everyone is dancing cheek-to-cheek at prom.

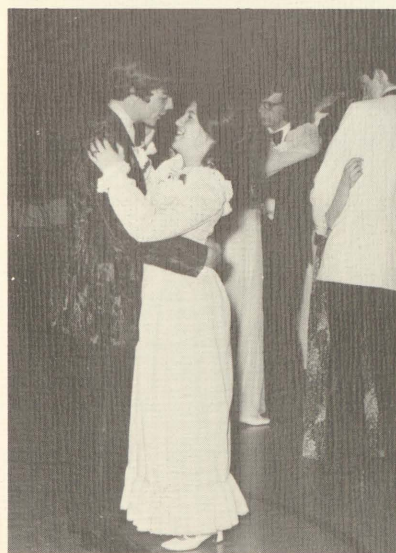

The food looks good.

I could almost fa-ll a-s-lee-p.

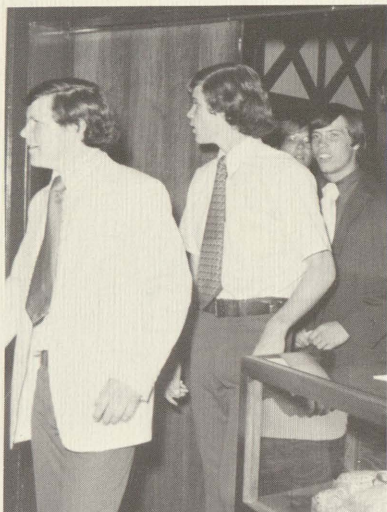

Dancers galore.

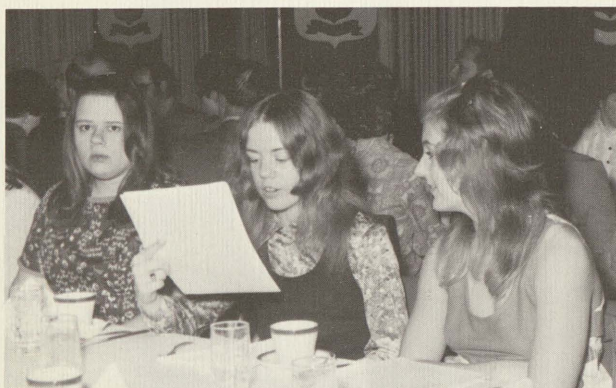

# *JUNIOR-SENIOR BANQUET: BAVARIAN STYLE*

This must be the place.

Head table leads the way.

Reading the will passes the time until the food is ready.

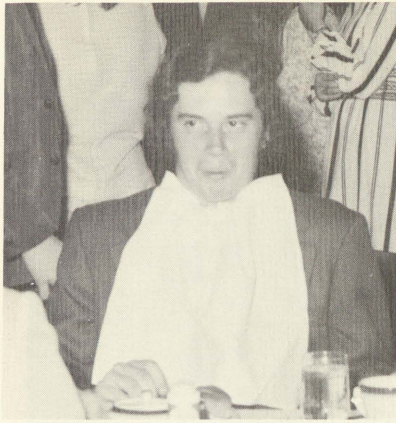

Food at last!

Eating is fun.

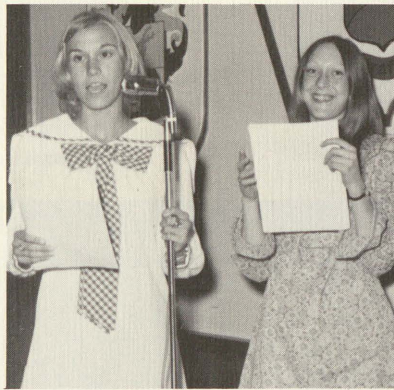

Does the napkin go here?

Dainty eaters.

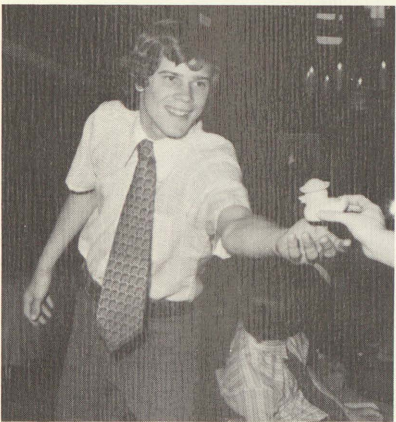

With any banquet there must be speeches.

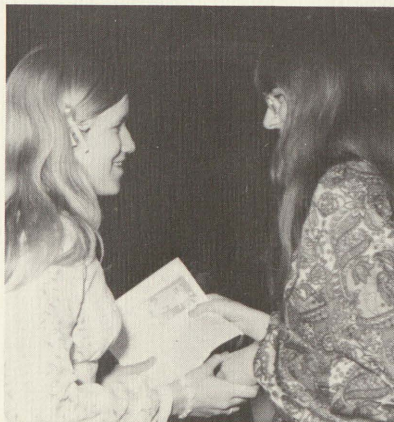

And now for the fun (?) to start.

Is this a joke?

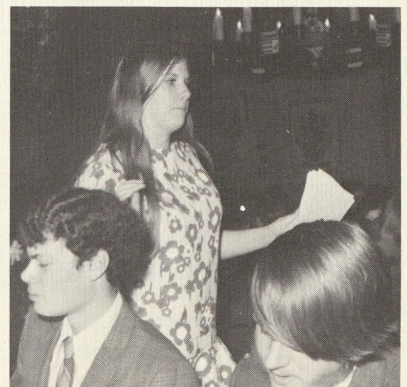

"Duck"

Is that all I get?

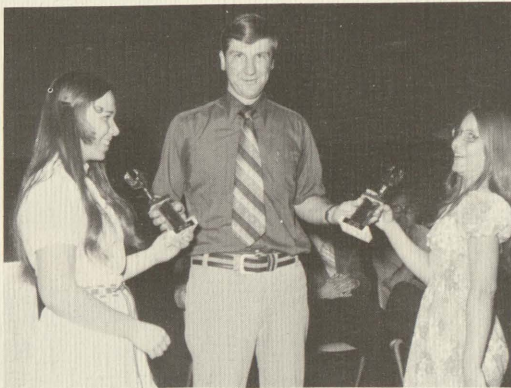

Is it full?

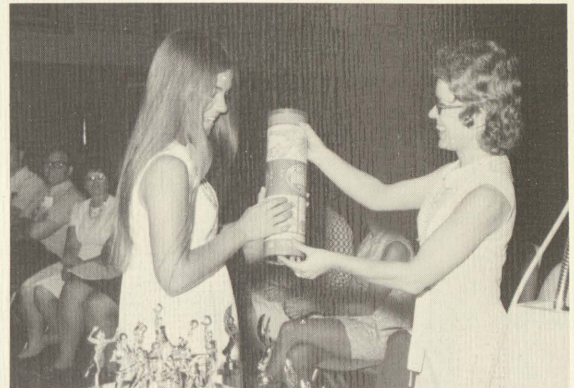

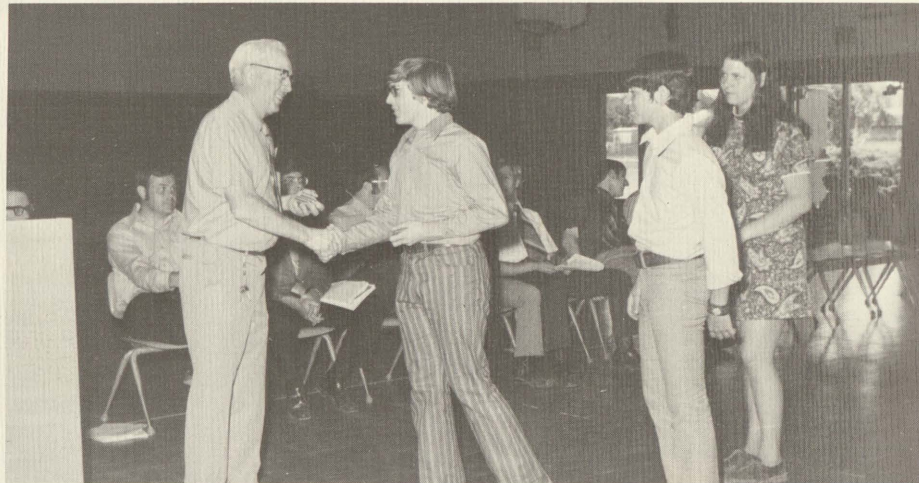

# STUDENTS RECEIVE AWARDS

The yearbook staff chose to use the theme "People" for the 1972 HUSKIE. The year was filled with a lot of hard work; but then there were fun times, also. Each member contributed greatly to help make this yearbook become a reality. There were many hours this group spent together to search through an endless amount of pictures and to finally be able to present this edition of the yearbook to the school.

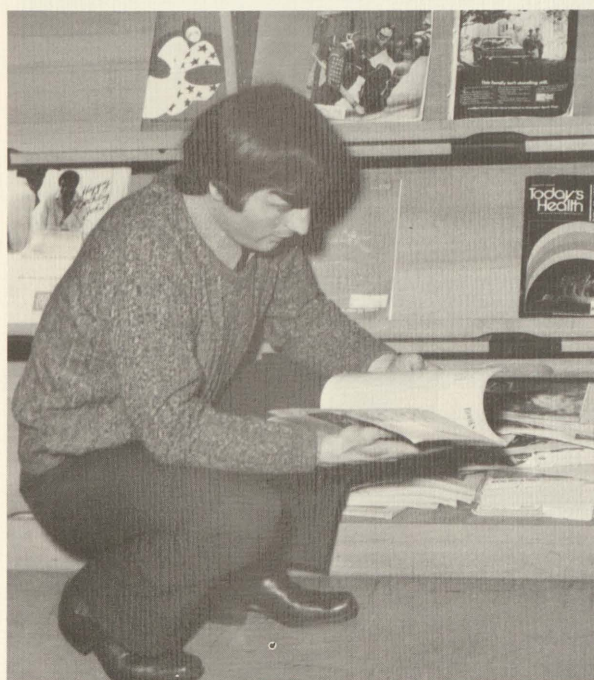

The day the photographer comes is so hectic!

# THE "HUSKIE SPOTLIGHT" SETS A FAST PACE

SITTING: M. Sherman, Mr. Hughey, J. Hohman, J. Bell, C. Dauer. STANDING: K. Miller, B. Shubitowski, K. Kube, D. McKibbin, S. Heath, B. Kade, L. Carson, M. Bell, H. Smith, D. Toth.

Mr. Hughey helps out!

The "Huskie Spotlight" was the name given to our school paper this year. The newspaper editions came out regularly and were enjoyed by all. Many new ideas were used to make the "Huskie Spotlight" better than ever. This year more editions than ever before were made available to the student body of Hemlock High School. The newspaper staff was able to go out for dinner at the Sveden House to celebrate the end of a very good year.

Award Winner.

The F. F. A. does much for the improvement of its individual members and of the association as a whole. Along with entering in leadership and judging contests, the members work on the Big Acre project, place exhibits in the Saginaw Fair, and have their annual sales of garden seeds and Florida citrus fruits. Each spring members go to the F. F. A. state convention. Here they go to sessions and clinics to learn better methods and ways to improve themselves as individuals, their chapter, and their projects. This year the F. F. A. started something new and exciting - they rented 40 acres of land which they will farm as a club project.

Just a bale of fun.

## 35 GIRLS LIGHT THE WAY WITH F.H.A.

We are the Future Homemakers of America.  
We face the future with warm courage and  
high hope.

For we have the clear consciousness of seek-  
ing old and precious values, for we are the  
builders of homes, homes for America's  
future.

Homes where living will be the expression  
of everything that is good and fair.

Homes where truth and love and security  
and faith will be realities not dreams.

We are the Future Homemakers of America.  
We face the future with warm courage and  
high hope.

Much food and fun at the hayride.

# EDITOR'S MESSAGE

To be needed in other human lives - is there anything greater or more beautiful in this world.

- David Grayson.

Throughout our lives, we are constantly meeting people. As we go through grade school and then high school, we make many friends. The dictionary defines a friend as, "One attached to another by esteem, respect and affection."

At graduation we feel happy but also a little sad. We sense an ending of what has been and a beginning of new experiences in an adult world. We may never see some of our friends again. Others may be seen less and less often through the years.

However, let's look toward the future. Wherever we go, whatever we do, we will meet new people and make new friends. As we become involved in other lives, we find ourselves needed and needing others. After all, that's what life is all about, isn't it?
